UltraFlix Network Tours Ten Major Markets for Customer Demonstrations

World's First Dedicated 4K Ultra HD Network will be Featured in Best Buy's UHD Campaign Television Demonstrations

SAN JOSE, CA – September 19, 2014 – [NanoTech Entertainment](#) (OTC Pink: NTEK), a pioneer in bringing state-of-the-art television experiences to consumers, announced today that it UltraFlix will be demonstrated at 3 events in 10 major markets including Los Angeles, Dallas and Chicago. Nuvola NP-1's running UltraFlix as well as the UltraFlix embedded Smart TV application will be providing the content and demonstrations as part of Best Buy's Ultra HD viewing events. [Insert link to news blog post] These events are featuring 55" 4K Ultra HD televisions from Samsung, Sony and LG.

The events start Saturday, September 13, 2014 in Los Angeles and will take place throughout the fall in Washington D.C., Atlanta, Houston, Boston, Dallas, Minneapolis, Chicago, Miami and New York City. These live events will be staffed by representatives from each of the Brand Ambassadors focusing on the new Televisions and 4K content and will feature exciting games and prizes.

NanoTech's Aaron Taylor stated, "We're very excited to leverage our investment in 4K Ultra HD content. UltraFlix will be front and center at these demonstrations. No matter what 4K Ultra HD brand television consumers buy, they will be able to access the UltraFlix library for the biggest and best 4K Ultra HD library available through the embedded Smart TV version or by connecting the Nuvola NP-1 4K Ultra HD streaming set top box."

About NanoTech Entertainment

Headquartered in San Jose, CA NanoTech Entertainment is a technology company that focuses on all aspects of the entertainment industry. With six technology business units, focusing on 3D, Gaming, Media & IPTV, Mobile Apps, and Manufacturing, the company has a unique business model. The company has a diverse portfolio of products and technology. NanoTech Gaming Labs operates as a virtual manufacturer, developing its technology and games, and licensing them to third parties for manufacturing and distribution in order to keep its overhead extremely low and operations efficient in the new global manufacturing economy. NanoTech Media develops proprietary technology which it licenses to publishers for use in their products as well as creating and publishing unique content. NanoTech Media Technology includes the world's first 4K Ultra HD streaming solution. NanoTech Communications develops and sells proprietary apps and technology in the Mobile and Consumer space. Clear Memories is the global leader in 3D ice carving and manufacturing technology. 4K Studios creates digital 4K Ultra HD content using both licensed materials as well as original productions. NanoTech is redefining the role of developers and manufacturers in the global market. More information about NanoTech Entertainment and its products can be found on the web at www.NTEK.com.
