**NanoTech Adds Alchemy Titles to its UltraFlix
All-4K Streaming Network**

Distribution of Award-winning Studio Catalog Expands UltraFlix Catalog with over 25 4K Ultra HD Movies

SAN JOSE, CA – May 7, 2015 – [NanoTech Entertainment](#) (OTCPINK: NTEK), a pioneer in bringing the 4K experience to consumers, announced today a licensing agreement with Alchemy (formerly Millennium Entertainment), a leading independent distributor of film and television content. With the agreement, [UltraFlix™](#), NanoTech's award-winning 4K Ultra HD network, has been granted the distribution rights to the Alchemy library of full-length feature movies as well as ongoing new releases from the studio.

4K Studios, a NanoTech subsidiary with facilities in San Francisco and Hollywood, is currently in the process of digitally re-mastering the films for immersive crystal clear 4K Ultra HD viewing.

Some of the Movies being added to the UltraFlix network's growing library of 4K content include top tier actors in a variety of genres:

- Comedies including:
 - o Employee of the Month starring Dane Cook, Jessica Simpson and Dax Shepard
 - o Baby Makers starring Paul Schneider, Olivia Munn and Kevin Heffernan |
 - o Harvard Man starring Sarah Michelle Gellar, Adrian Grenier and Joey Lauren
 - o Dirty Deeds starring Milo Ventimiglia, Lacey Chabert and Charles Durning
 - o Relative Strangers starring Danny DeVito and Kathy Bates

- Action Movies including:
 - o Elephant White starring Kevin Bacon, Djimon Hounsou, and Markus Waldow
 - o Swindle starring Tom Sizemore, Sherilyn Fenn and Dave Foley
 - o The Tunnel starring Stephen Dillane, Clémence Poésy and Jack Everson

-

- Dramas including:
 - o A Little Trip to Heaven starring Forest Whitaker and Peter Coyote
 - o Tracks starring Mia Wasikowska, Adam Driver and Lily Pearl |

“Alchemy has been one of the most prolific independent studios for years. With a vast catalog of top quality films with some of the biggest names in Hollywood, we are adding a large quantity of quality films for the UltraFlix Network,” said Aaron Taylor, NanoTech’s Executive Vice President of Sales and Marketing. “We’re excited about partnering with Alchemy so our viewers can enjoy a wide variety of movies from every genre all digitally re-mastered by 4K Studios with the incredible detail and amazing depth of 4K.”

“UltraFlix provides a great platform that allows studios to optimize the life of a film,” said Bill Lee, CEO of Alchemy. “By using their proprietary 4K re-mastering techniques, UltraFlix can stream visually lossless 4K video renderings of our films at a quality never experience before outside the theatre.”

About UltraFlix

Offering the world’s largest library of 4K content, UltraFlix is a streaming network that enables subscribers to choose from a library of pristine 4K Ultra HD VOD content in a broad range of categories plus hours of free content. UltraFlix has also become the preferred 4K STB and Smart TV App for leading 4K Smart TV manufacturers including HiSense, Samsung, Sony, Vizio and others that are in the process of completing their testing and integration. For more information visit www.UltraFlix.com.

About Alchemy

Alchemy is a leading independent distributor of film and television content across all platforms and windows in North America. Alchemy develops tailored distribution strategies across all platforms, from theatrical release to home video, VOD, and television. Under CEO Bill Lee’s direction, the company has distributed the work of some of the world’s finest filmmakers including Richard Linklater, Werner Herzog, Gregg Araki, Dito Montiel, John Hillcoat, John Turturro, Lee Daniels, Oren Moverman and James Cameron. Recent successes include ELSA & FRED, FADING GIGOLO, WHAT MAISIE KNEW, RAMPART, and BERNIE.

Alchemy boasts the independent industry’s pre-eminent end-to-end supply chain solution for physical and digital distribution of content to major retailers. The company has the largest footprint of any independent supplier to bricks and mortar businesses, and is one of only two independent aggregators for Target, where Alchemy represents 75% of all independent titles sold. It is also the leading supplier to digital platforms including iTunes, Netflix and VOD.

The company owns a catalog of 665 film titles and has deals for the ongoing distribution of film titles and programming for clients including PBS Distribution, Classic Media, nCircle, eOne, Magnolia, MPI Home Media, FUNimation, Well Go, Music Box Films, Inception, Gravitas Ventures, and Hammer Horror, among many others.

About NanoTech Entertainment
