Dear Shareholders,

The SR/IR department is currently reaching out to shareholders to conduct a survey and to register everyone that holds shares in the company so that we may better understanding of the shareholder community in the company and foster direct communications with as many of our shareholders as possible. To that end, we have reached out to all known shareholders that we have contact information for. If you have not received an email from us in the past two days, and would like to be added to our database, please contact ir@ntek.com with your name and email address and we will add you to our database.
