Dear Shareholders,

We would like to take a moment and say thank you for all your feedback and support this year. We truly appreciate our shareholders and investors. While 2017 has been a year of transition and obstacles, we have been working hard to put the team, financing, and plans in place to move the company forward in a very positive direction.

I am looking forward to meeting with many of you next month and sharing our vision for the coming year. For those of you that can't make it we look forward to continuing to provide you with weekly updates and implementing quarterly conference calls to help improve the lines of communications with our shareholders.

I hope that you and your families enjoy a wonderful Holiday season and wish you a Merry Christmas and Happy New Year.
